TO

Ms. Anika Akkiraju

On behalf of the Milpitas City Council, I, Mayor Carmen Montano, commend **Ms. Anika Akkiraju** on September 29, 2025. Anika Akkiraju stands out for her rare combination of compassion, vision, and leadership. Her dedication to expanding educational access for youth in homeless shelters and her exploration of how technology like AI can address deep-rooted social challenges show both insight and courage. Anika is not waiting for change; she is creating it. I am confident she will continue to make a lasting impact wherever she goes.
